

Lee Bethel – The Cut, the Fold, and the Play of Light

Requirements List (students to bring):

A cutting knife with a packet of No:11 Blades Available from Officeworks, Eckersleys Art Supplies

A cutting mat – if you don't have one, let us know, so Lee can supply one that you can use.

Steel ruler-Lee will bring some long ones

Any other paper scraps, old work etc to experiment with

Materials to treat/colour the surface: watercolours, ink soluble crayons, etc.

Plastic water container

General art making items, brushes, pencils, rubber, cheap sketch pad, notepad

Small atomizer/spray bottle

Lee will bring:

Specialty rice glue, weldbond and silicone glues for the group to use

Various papers for the group to use and take

A pack of materials for each person, which will include a full sheet of good 300gsm watercolour paper plus some practise paper to experiment with.

Note:

The first day should spur students to look at their own materials to experiment with and they can bring more on the second day.
